4.2 BOARD REPORTS

4.2.1 The Budget Committee met to discuss classified wages and made recommendations based on job position, areas of responsibility, and years of service. The committee also reviewed the budget authority from the state. Mr. Geary stated that there is a grant available to use as a trade-in on old school buses. The grant deadline is August 2, 2019.

4.3 STAFF MEMBERS REPORT

4.4 ELEMENTARY/JH PRINCIPAL'S REPORT

Mrs. Morgan attended an IEP meeting, the fifth grade luau, the third grade grandparents' program, the elementary concert, an administrative meeting and an end-of-year requirements meeting with Mr. Geary. She reported that all MAP testing was complete and that she had completed the teachers SLO's and sign outs. The elementary/JH school held the elementary field day and BBQ, Honors Night, and hosted all teachers for the final professional development day. Mrs. Morgan completed two more administrative classes.

4.5 SECONDARY PRINCIPAL'S REPORT

Mr. Howitt reported that 6th grade athletic participation is permissible if gender enrollment is fewer than 12. Currently there are only 11 boys in junior high. He also stated that the NSAA May 1st transfer deadline has past and that we had 0 students lost and 0 students gained, which means that if any students transfer into our District now, they will be ineligible to participate in activities for 90 school days. Mr. Howitt also reported that the juniors took the ACT test on April 2nd and that their average score was 17.5. In 2018, Nebraska's average ACT score was 20.1.

4.6 SUPERINTENDENT'S REPORT

4.6.1 MEETINGS/TRAVEL

Mr. Geary attended the Instructional Material Seminar in North Platte, a MDT via Zoom for a student, and the KSB Policy Update webinar. He also met with the Morrill County Treasurer to discuss overpayment of funds and Ginny Carter from NDE to discuss our grants.

4.6.2 CONSTRUCTION UPDATES

Mr. Geary reported that they have finished painting the gym floor in Dalton, dirt and drainage work continues on the track, painting is finished in Gurley, carpet is being laid in Dalton and Travis has started his summer projects.

4.6.3 ACTION ITEMS

Mr. Geary stated that the Budget Committee is recommending increases to classified staff and that Alison has prices for new mimio boards and recommendations for disposing obsolete items. He added that the bathrooms east of the gym are in need of upgrades and included a bid for that work. He also provided a bid for a new industrial zero-turn mower to improve efficiency and productivity. Mr. Geary reported that the only significant cost for Cross Country is that of a coach (approx. \$3114). Mr. Geary also recommended changes to extra duty assignments based on student success, not adult convenience. He did his best in aligning those assignments with the class schedule and what is in the best interest of the students. He also stated that we will have a year-long student teacher from CSC and that the program allows for her to serve in a variety of roles, such as a substitute teacher. Finally, he asked the Board's approval for a loan that was previously discussed to keep our depreciation fund from being too low.

4.6.4 OTHER ITEMS

4.6.4.1 Track records – Mr. Geary has researched other schools' practice on this matter and reviewed the requirements for NSAA state records. He's confident that adjusting the records is the appropriate, fair, and right thing to do. He will work with the new AD to determine which records need to be updated.

4.6.4.2 Intervention Class – Mr. Geary stated that he's seen this program work through his experience. He asked the Board if they want this class required during the day, after school or not at all. He opened the discussion up to the Board and answered their questions. Concerns included the retesting of some students, self-esteem of students, the name of the class, realigning curriculum when the committee hasn't even met yet, and scheduling. After much discussion, the Board suggested renaming the class to "Enrichment" and having it required after school. This will be reflected in the handbook which will be voted on at an upcoming meeting.

4.6.4.3 Dalton Gym Floor – Mr. Geary asked the Board's wish regarding the community use of the new, \$20,000 floor and how to protect this investment. The Board responded that the patrons need to dry mop the gym before and after they use it. This will be monitored by cameras and failure to comply will result in the loss of the patron's fob.

4.6.4.4 6th grade participation – Per NDE correspondence, sixth graders will be allowed to participate in junior high athletics next year based on enrollment by gender and season. This may change during the school year if other students move into our district.

4.6.4.5 Other Notes – Mr. Geary will have served 234 days through the end of June. The second year of his contract begins July 1st and his new contract will need to be negotiated in December 2019. He also researched StrengthsFinder and stated that the NASB could provide a presentation. The survey data is complete from staff, students, and parents. This data will inform our improvement priorities for 2019-2020. Finally, there are a host of policy revisions recommended by KSB that Mr. Geary will have prepared well in advance of the July meeting. He asked the Board to consider a separate meeting to review these policies.

Superintendent Notes; August 2019

A new gym floor...thank you sponsors!

Everybody likes free stuff! While this new floor was not exactly free, it did NOT cost the taxpayers of our district one red cent! Because of the generous support of our sponsors, Leyton High School has a redesigned, newly finished gym floor and scorers' table. Please join me in thanking:

Points West Bank and Insurance (Dalton)	21 st Century Equipment (Bridgeport and Sidney)
Benish Farms	Morgan Farms
Abbott Trucking	Webb Orthodontics
Pepsi	Sidney Regional Medical Center

These sponsors covered the entire cost of the floor redesign and finish. Please stop in to see how amazing this new floor looks. We're proud of it!

Facility Use

At the regular meeting of the Board of Education in May, the Board voted to increase the facility use fee to \$150 per year. This fee will begin on September 1, 2019. All FOB's will be shut off August 31, 2019. All FOB users will need to reapply using the updated FACILITY USE FORM (available in the office) if they desire to continue using district facilities.

School Safety

Leyton Public Schools uses the Standard Response Protocol (SRP) to respond to school safety and security concerns in our district. Throughout the school year we will be conducting drills to prepare for any emergency. If you have questions about SRP, please visit their website:

<https://iloveguys.org/srp.html>

Assessment Plan

Leyton Public Schools uses a variety of assessments to ensure students are receiving the best possible education. The state of Nebraska mandates that we give students both nationally-normed, and criterion-referenced, assessments. The following assessments may be given to students who attend Leyton:

1. NWEA MAP; This test is a Measure of Academic Progress and students are required to take it in the fall and spring. Some students also take this test in the winter. Student and school performance is often based on this assessment.
2. DIBELS; This is a reading test used to identify student needs and helps teachers know what particular reading skills students need help with. This test is given three times a year.
3. NAEP – National Assessment of Educational Progress; You can find more information on this test at: <https://nces.ed.gov/nationsreportcard/>
4. NSCAS; These statewide assessments are given once per year (spring) in certain subjects and grade levels.
5. ACT; This college entrance test can be taken multiple times as a means to qualify for college scholarships. Students are required to take this test as juniors (grade 11) as part of the Nebraska Department of Education's accountability process.
6. Formative/Summative Classroom Assessments; These tests are given regularly and often in each classroom to measure how well students are understanding the lessons presented by their teachers. This information is NOT reported to the state or federal government.

Annual Report

An annual report will be coming to every patron of our district. This report will include student performance data, financial data, and will include information on how you can be involved in our school.

New Staff

Please join me in welcoming the new staff to our school district.

Mrs. Rylee Blomenkamp; 1st Grade
Mr. Nick Brost; Secondary Principal and Activities Director
Mr. Ryan Coffey; Junior High
Mr. Matt Haley; Industrial Technology
Mrs. Christy Lecher; 6th Grade
Mrs. Irma Rios, Special Education
Mrs. Jourdan Schumacher; 4th grade
Mrs. Amy Thacker, Title I

Track Progress

The constant rain this spring and summer has hampered progress on the track project – just like it has impacted our farmers. Things are coming along, just a little bit slower than we had hoped. We are still planning to have our facility ready for our first football game on August 30. Let's hope Mother Nature cooperates. If we have to make changes, we'll keep you informed. Here's the latest look on the project. Bleachers are in progress and the light poles and fixtures are standing! Soon the asphalt track will be paved. Final landscaping will take place when the weather is favorable. We are on schedule to host our first football game on August 30. Our Tailgate/Open House and Ribbon Cutting will be held before our football against Brady on September 13, 2019. Our meal will be served from 4:30 to 6:30.

A Message from Mrs. Morgan

Welcome back Leyton Families! I hope everyone had a great summer break and found the time to relax with family and friends. I am excited about my second year as Principal of Leyton's K-8 students. If you have not been in the elementary/junior high over the summer, I would like to personally invite you to attend our **Open House on August 14, from 4:30-6:30 PM**. We have a lot of new staff members joining our team, have made a lot of progress on building renovations and are proud for our community to come meet our new team and see our school improvements. Stop in and take a look anytime during the Open House. Our school times this year are 8:00 AM-3:20 PM. Our buses will be dropping off and picking up in the south parking lot this year. This will help parent drop-off operate more smoothly on the east side of the building.

As a communication tool, I use an app called Classroom DoJo. It is a free app that you can put on any mobile device and receive notifications from our school. I post pictures of events at school, send out weather updates, recognize those students in our building that consistently model The Warrior Way traits, etc. If you would like to receive updates and see what's happening at Leyton, please email me your name, your position (parent of child-what grade, community member, grandparent, etc.) and an email you check regularly. I will add you to my list. My email address is dana.morgan@leytonwarriors.org. For those of you new to Leyton, we consistently demonstrate The Warrior Way. **We Are Respectful, Responsible, Inspired, Organized, Ready and Safe**. The first letters of these traits spell WARRIORS!

Next I would like to extend my gratitude to Brenda Ahlm, Bruce Ernest, Sheena Jenson, and Twila Flohr. These individuals have spruced up some of our flower beds around the school to help us create a welcoming environment for our students, staff, and visitors. Thank you all for your time and effort!

Finally, please remember that our students' safety is a **PRIORITY** at Leyton. When you come to our school for any reason, please stop in the office. We love visitors, but we have a sign-in procedure when you come in the building. If you just have a delivery for your student, please bring it to the office and our secretary will make sure your child gets what you have left. We want to provide optimum learning opportunities and this means less classroom disruptions. We thank you for your help in insuring our students' safety and valuing classroom learning time.

Important dates: August 14-4:30-6:30 PM Open House, August 15-First Day of School, August 21-DIBELS reading testing K-6. Per the new K-3 Reading Improvement Act, all students in grades K-3 will be given DIBELS and identified within the first thirty days of school if there is a reading deficiency present. Parents will be notified via letter of student DIBELS testing results and what specific strategies will be used to assist K-3 students in reaching Benchmark standards for reading. If you have any questions, please call me at school; 308-884-2247.

Respectfully, Dana Morgan-K-8 Principal

 *Dana*

High School Principal/AD Newsletter

As summer vacation is quickly coming to an end we feel sad our summer adventures will have to wait, yet there is the feeling of excitement for a new school year. At our house there is a buzz of excitement for starting in a new community, new school and new friends. We are very happy to be here, the communities have been so welcoming to our family. We have met many of you and if we have not met yet, please stop by to visit at the school, downtown or at school and community events.

If you have been past the high school lately you may have noticed the progress that has been made on the new track project. Our wet weather this summer has slowed them down but they are still on schedule to have the project ready for the first football game on August 30th.

Make sure you give a big thank you to our coaches and sponsors who have been putting in extra time this summer working with our student-athletes. Our coaches and student-athletes have been busy this summer, going to camps and clinics in addition to dedication to the summer weights program. We will have a preseason meeting for high school athletes who plan on participating in football and volleyball and their parents on Wednesday, August 7th at 7:00pm at the high school.

As a reminder, the facility use fee has changed to \$150 per year for community members. All current key fobs will expire on August 31st. All users need to complete a new Facility Use Form and Key Fob Application available in the school office. The Facility Use Agreement includes access to the High School Weight Room from 5:00am to 10:00pm, excluding when school is in session. Use of the gym and other school facilities must be approved by the Administration.

The first day of school is quickly approaching on August 15th. We will be hosting an open house from 4:30-6:30pm August 14th. As summer vacation is coming to a close make sure you squeeze in a few more family adventures before we see everyone on August 15th.

For the latest updates to our school calendar please visit the school website at www.leytonwarriors.org.
