# Superintendent Notes; September 2021

School is off to a fantastic start! We are so excited for this school year. Our classrooms are alive with learning and our students have a variety of activities from which to choose. Among other things, we are continuing to revise our High Ability Learner program to make it more responsive to student interest. If you have ideas about how to challenge these students or know of opportunities for extended learning, please contact me at school, 302-377-2301.

Before I get too far into this month's *Notes*, I want to celebrate a major milestone for two of our teachers. Huge congratulations go out to Ms. Thompson and Mrs. Schumacher for completing their Master's Degree! What a great example of lifelong learners! We are proud of you!

Our Wellness Policy/Plan, #5052, is also reviewed and revised each year. You can find our current policy on our school website, [www.leytonwarriors.org](http://www.leytonwarriors.org), under the Board of Education tab. This plan establishes how we, as a district, will positively impact student health. It is a comprehensive document that includes physical education, food and drink at school, and mental health. As always, our school lunches comply with school meal pattern standards and our snack offerings are all "Smart Snacks" which are compliant as well. If you would like to join the team and review this policy, please contact me so I can get you involved.

Substitute Teachers are in short supply! We need you! If you have 60 hours of college credit, you are eligible for a Local Substitute Teaching Permit. Stop in and let's visit. Now, more than ever, we need your help. If you don't want to be a classroom substitute, maybe you would like to be a substitute in the kitchen. We would love to have you.

Activity season is in full swing. Cross Country, Volleyball, Football, Cheerleading, and One Act play are all underway. Come out and see the great things our kids are doing!

Finally, I'd like to give a special SHOUT OUT to Titan Machinery, Sidney and Quentin Cranmore for providing a location to park the bus we use for the Sidney bus route. This allows our bus drivers to be more efficient and saves a ton of mileage on our vehicles! Thank you, TITAN! I also want to thank Deaver Ag and Terry Deaver for supplying drinks for the annual tailgate gathering for our community.

## A Message from Mrs. Morgan

We are Respectful, Responsible, Inspired, Organized, Ready and Safe. This is the Warrior Way  which our students and staff recite every Monday, Wednesday, and Friday. It also serves as our guiding principles for which we select our monthly good citizens in each classroom K-8. Our students consistently model the warrior way and we like to recognize their efforts. We will again be selecting good citizens and recognizing them in the newsletter and on Classroom DoJo. I get the honor of having lunch with the selected students each month.

We had an amazing first full week of school August 16-20. Students and staff were excited to get back into our school day routines and begin our learning. Our new staff this year at the elementary/junior high site are Mrs. Marla Davis-SPED teacher and Mrs. Amy Neumann-6<sup>th</sup> grade teacher. Many of you may remember that Mrs. Neumann completed her student teaching in 3<sup>rd</sup>/5<sup>th</sup> grades last year and Mrs. Davis was our SPED paraeducator at the high school. We welcome both of these educators and know that our students are fortunate to have them.

We have many events coming up in September and would love for you to join us. If you are visiting our building for anything other than an athletic event, please make sure you stop in the office to sign in. This is a standard safety protocol required so that in the event of an emergency, we know who the extra visitors in our building are and what room they are visiting. Thanks for your help with this.

Congratulations to our new junior high student council officers and representatives. Our president-Macey Roelle; vice-president-Claire Eckhardt; secretary-Tristan Fischer and treasurer-Carlyn Thomas. Our 8<sup>th</sup> grade class representatives are Faith Lee and Quinten Tretter. Our 7<sup>th</sup> grade class representatives are Riley Benish and Austin Beutler. I look forward to working with our student council and their sponsor Mr. Coffey and hearing their ideas for our student body.

Important Dates in September: 9/1 Picture Day; 9/3 Flowerfield Trip 4<sup>th</sup> & 5<sup>th</sup> Grades; 9/6 Labor Day-No School; 9/7 PD for teachers-No School for Students; 9/8 JH/JV VB @4 @ Bridgeport; 9/14-JH VB Tournament @ 4:00 (Home-Both Sites) 9/15-JH VB/FB @. Minatare @2; 9/22 JH VB/FB vs. Creek Valley @2 (Home); 9/29 JH VB/FB @ Potter-Dix @ TBD. We hope to see you soon!

If you have any questions, please call me at school; 308-884-2247, reach out through Classroom DoJo or email me at [dana.morgan@leytonwarriors.org](mailto:dana.morgan@leytonwarriors.org).

Respectfully, Dana Morgan-K-8 Principal

- ENCOURAGE THEM TO TRY NEW THINGS
- ALLOW KIDS TO FAIL
- PRAISE PERSEVERANCE
- HELP KIDS FIND THEIR PASSION
- SET GOALS
- CELEBRATE EFFORT
- EXPECT THEM TO PITCH IN
- EMBRACE IMPERFECTION
- SET THEM UP FOR SUCCESS
- SHOW YOUR LOVE

### What has your child been exploring in guidance class?

The Attitude of Gratitude mindset. These 4 elements help teach us the importance of seeking the positives from life experiences and being thankful for all that we have.

1. Treasure Yourself
2. Be More Grateful
3. Thank It Forward
4. Elevate Your Perspective

5 Dos and Don'ts to support the Attitude of Gratitude mindset at home.

1. **DO** practice gratitude every day. This could be a family journal or verbalizing all the big and small things.
2. **Do** model saying "thank you" regularly.
3. **Don't** let the bad times be all bad, believe they help us learn something useful.
4. **Do** let your children know what you appreciate about them.
5. **Do** treasure yourself and take care of yourself as a role model for your child.

## Hard Work Pays Off

### Coach Gamble

The summer Warrior Weights program saw great gains in strength, speed and explosive power. Several of our student athletes improved their olympic lifts, advancing into a "Higher Pound Club". Jonathan Borges set a new record for a combined weight of 950 lbs for all three olympic lifts. On Tuesdays and Thursdays, we incorporated speed and explosion into our training sessions. Tuesdays we worked over wickets (small hurdles), emphasizing running form with knee drive and proper foot-to-ground strike. Thursdays were what we called "race days", focusing on max velocity. Using the Freelap Timing System that the Leyton Foundation purchased, we were able to collect data and convert their times to miles per hour. We should have issued speeding tickets, as we had several athletes run 20 mph and a couple nearly reaching 22 mph. Great Job Warriors and a HUGE THANK YOU to the Leyton Foundation for your continued support!

Below are just a few pictures of the successes we saw this summer.

The students maxed out on bench press, leg squat, and power cleans. Not all the athletes had a chance to re-max on the 3 Olympic style lifts.

The gains that are seen are the 3 Olympic lifts combined together. (Bench press, Squat, & Hang cleans)
