

**LEYTON PUBLIC SCHOOLS
BOARD OF EDUCATION POLICY #4017**

Relations with Employee Collective Bargaining Associations

The board of education recognizes the right of staff members to belong to professional employee organizations. The board will negotiate with organizations that have been certified or recognized in accordance with public employee bargaining statutes. The board or administration will coordinate with certified or recognized organizations for purposes of collective bargaining.

The district will allow professional employee organizations to make reasonable use of district facilities for meetings outside the district's and the employees' work hours. With administrative approval, organizations may use district resources, post notices of meetings and provide other information on bulletin boards designated for this purpose and use district e-mail and mailboxes for delivery of information specific to the organization. Organizations must pay for all supplies used, damage caused, or the loss or theft of borrowed property.

For purposes of recruiting new members, organizations may host or attend certain meetings of certificated staff outside the district's and the employees' work hours. Attendance at any staff meetings does not include all-staff, building-level, committee, or other meetings called by the district, unless those meetings are open to other organizations or if required by law.

Unless otherwise specified in this policy or permitted law, organizations will be treated equally, and the district will not designate any day or break by reference to any specific organization.
