

**LEYTON PUBLIC SCHOOLS
BOARD OF EDUCATION POLICY #5019**

Communicating with Parents

Parents shall be kept informed of student progress, grades, and attendance through report cards, progress reports, and parent/teacher conferences. The school district will notify parents if their students are failing or close to failing, either through communication from the school or through parental access to the district's student information system. The school district will endeavor to notify parents of failing students prior to entry of the failing grade on the student's report card. Parents will also be notified of their student's possible failure to meet graduation requirements. Other pertinent information will be communicated to parents by mail, electronic communication, telephone calls, by personal contact or other appropriate method. Official transcripts of student progress, grades, and attendance will be sent to other school systems upon the student's transfer when the district receives a written request signed by the student's parent or guardian or upon being notified that the student has enrolled in another school. By providing the school district with their telephone number(s), parents agree to receive notifications from the school district's automatic notification system.
