

**LEYTON PUBLIC SCHOOLS
BOARD OF EDUCATION POLICY #5062**

Lice and Nits

Students found to have head lice, louse eggs, or nits will not be permitted at school and will be sent home. Upon discovering the presence of any indication of lice, louse eggs, or nits, the student's parent(s) or guardian(s) will be notified, and if appropriate will be asked to pick up the student from school immediately.

Students will not be permitted to return to school until the district finds that no live lice, eggs, or nits can be detected. The parent(s) or guardian(s) will be required to treat the student and accompany the student to school to be examined.

The student cannot ride the school bus until the district has cleared the student to return to school.
