BOARD OF EDUCATION POLICY #5064**

Title I Supplement, Not Supplant Policy

The district will use Title I funds to Supplement, Not Supplant, state and local funds that would, in the absence of Title I funds, be spent on Title I programs. The district will ensure that Title I funds will not be used to provide services which otherwise take the place of public education services that are to be provided to all students.

The district maintains records of the professional development provided at the district level that is funded with Title I funds. The Superintendent will ensure that professional development is aligned with the needs of the district's Title I programs. Title I professional development will not duplicate that which the district provides for non-Title I purposes which, in the absence of Title I funds, would be provided to all staff.
