BOARD OF EDUCATION POLICY #6014**

School Attendance on Days of Scheduled Activities

A student must be in attendance for four periods prior to the evening activity, unless prior arrangements have been made, or they may not be able to compete. (Students with prearranged absences, or if the school is notified of extenuating circumstances and is excused by the school administration, are exempt from the rule.) Students with makeup time for truancy or disciplinary reasons may be eligible to practice and compete at the discretion of the principal so long as the detention assigned is being served. A student who cuts classes or school may be excluded from participation in the next contest.
