BOARD OF EDUCATION POLICY #6016**

**Homebound and Off-Campus Instruction**

The school district may provide a student with instruction in his or her home or other off-campus location under the following circumstances:

- if the student's IEP or 504 team determines that homebound instruction is appropriate;
- if the student is physically or mentally ill or injured and unable to attend regular classes and the superintendent or his/her designee had determined that a program of off-campus instruction is appropriate, after conferring with the student's parents, teacher(s) and/or physician; or
- under other circumstances which the superintendent deems to be appropriate.

Homebound and off-campus instruction may include a variety of in-person and distance learning services, as determined appropriate by the superintendent or relevant educational team. The superintendent or relevant educational team shall periodically review individual off-campus instructional programs and shall only continue them as long as they are educationally appropriate.
