Superintendent Notes; August 2021

It's been a fun summer! I completed work on our house, garage, and driveway, spent a few days on the golf course, and even found some time to appreciate jogging the open roads. I enjoyed completing the Lincoln Half Marathon with my sister in May. This is our picture before the race...we were a lot more sweaty and much less smiley when it was over!

Wheat harvest is now winding down and school is right around the corner. We are all praying for rain and preparing for fall. This is one of my favorite times of the year. Each year I eagerly anticipate the return of students and staff to school. It gets kinda lonely when there's only a few of us in the office. Soon we will be in the school routine, laughter filling the halls, and Friday night lights offers to be our weekly gathering. I'm looking forward to seeing you all again!

Before we get the year started, I would like to extend a special thank you to some people who have gone above and beyond to support our students and our school. Please help me by thanking them the next time you see them. Jerred Berner offers the use of his loader when we need it and has opened his shop for us to wash our buses. Terry Deaver has consulted with our maintenance staff and provided expensive chemicals to the school without fee. Dustin and Renee Thomas have welded and installed the stairs on both ends of the press box. Thank you all for supporting Leyton Schools!

We have a few new staff members this year at Leyton. Mrs. Mackenzie Ivie will be teaching High School English, Mrs. Ila Mitchell will be joining our team in the kitchen in Dalton, Mrs. Marla Davis will now be our Special Education Teacher, Mrs. Amy Neumann will be teaching 6th grade, Mr. Ryan Fortune will be serving as our groundskeeper and help with maintenance, and Mr. Ryan Plummer is the new high school Principal and Activities Director. Please help me welcome them to Leyton!

There are a few housekeeping items I would like to mention as we kickoff the new school year.

Committees: There are a number of committees on which community members may serve. First, according to our District Wellness Policy (5052), we would like to invite your participation in the development and revision of our Wellness Policy. You may also serve on these committees: Safety, School Improvement, Security/Crisis, Technology, and Transportation. If you would like to serve on any of our committees, please let me know. You can call me at 308-377-2301, or email me at chris.geary@leytonwarriors.org.

ESSER PLAN: we are seeking input on our ESSER III plans; Safe Return to In-Person Instruction and Continuity of Service and our ARP ESSER III Plan. There are four ways you can provide input on these plans:

- 1) Call the office (308)377-2301;
- 2) Complete a survey (They are on the school's website, www.leytonwarriors.org – under the District Tab);
- 3) Join us for a meeting on August 5 at 7 pm in the Multipurpose Room in Dalton;
- 4) Attend the August 9 regular board meeting where time will be allowed for your feedback.

Employment: We are still looking for a paraprofessional to work in the High School. Please visit our website and complete an application. Thank you.

FOB's: All FOB's will expire on August 31, 2021. If you would like to continue your membership, please visit Liz or Janella in the High School office to pay your annual \$150 fee. They will make sure your FOB doesn't get shut off.

Activities Help: Mr. Plummer needs volunteers to perform a variety of duties for our student activities. Volunteers who serve at least five times will earn a MAC Conference Pass – which entitles the cardholder to attend every Leyton game BOTH HOME AND AWAY (except NSAA District and State contests) in EVERY activity.

Superintendent Scoop: I am excited, once again, to meet with you and discuss school operations and our future together. The first Superintendent Scoops of the year will be held on September 1 and September 2. Please be on the lookout for an official announcement of the time and location!

Lunches: Breakfast and Lunches will be provided to students at no cost for the entire 2021-2022 school year. Enrollment packets will contain an application for Free and Reduced Lunches (FRL). Please complete this form even if you will not qualify. There are two benefits associated with this application. First, the school district qualifies for federal and state funds based on how many families qualify for FRL. Second, there are other benefits for students who qualify for FRL (ie. Fee Waivers and Health Insurance, Scholarship considerations, etc.) Thank you for taking time to complete this application.

Once again, it's an honor to serve the community of Leyton. My door is always open and I'd love to have you visit.

A Message from Mrs. Morgan

Hello Leyton Warriors! Welcome to the 2021-2022 school year. I hope that everyone took  some time to enjoy their summer and perhaps had an opportunity to take a trip. I was fortunate enough to return to my home state of Mississippi for a week and see all three of my boys on trips to Michigan and Virginia. It was so refreshing to be able to travel this summer.

Staff changes for the elementary/JH building are Mrs. Amy Neumann will be our sixth grade teacher, Mrs. Marla Davis will be our SPED teacher, and Mr. Ryan Fortune will be a groundskeeper and serve on the custodial staff. Most of you will remember that Mrs. Neumann did her student teaching at Leyton last year. We are excited to have new staff members join our Leyton team! Our bus routes have changed and Kathy has provided the updated routes in this newsletter. Please make sure you look at the routes and drivers and reach out if you have questions. Our school times this year have changed minimally. We will now be in school at the elementary/junior high building from 8:00 AM-3:30 PM. This prevents less time on the bus for our students that ride to the high school to wait on dismissal there. The south parking lot is our bus drop off and pick up zone. Parent drop-off will continue to be on the east side of the building.

I have always used Classroom DoJo as a communication tool. It is a free app that you can put on any mobile device and receive notifications from our school. I post pictures of events at school, send out menu changes, recognize those students in our building that consistently model The Warrior Way traits, post weather announcements if they are needed, etc. If you would like to receive updates and see what's happening at Leyton, please email me your name, your position (parent of child-what grade, community member, grandparent, etc.) and an email you check regularly. I will add you to our school DoJo, and you will receive a request to accept the invitation. If you received communications from me in the past or your student's teacher uses DoJo, you do not need to sign up again. My email address is dana.morgan@leytonwarriors.org.

Tuesday, August 10, from 4:00-5:30 PM, we will have an open house. Please feel free to stop by and meet your child's teacher if you haven't already. You may also drop off supplies so students don't have to worry about carrying them on the bus the first day. We will be available to answer any questions you might have at this time. Our first day of school for students will be Thursday, August 12.

I am a firm believer that we all enjoy seeing pictures of our students and their accomplishments, so I have included some 4-H and fair pictures. We are very proud of our Warriors and how active they are in our community!

If you have any questions, please call me at school; 308-884-2247.

Respectfully, Dana Morgan-K-8 Principal

Dear Leyton Families,

The summer has come and gone and although I love spending time with family and friends, it is now time to begin a new adventure. Closing one door and opening another is never really easy, however I'm finding that there are plenty of good people around Gurley and Dalton that are willing to make the transition easy. I look forward to working with the community, staff, and especially the students at LPS.

Oh wait, I guess you are wondering who I am. My name is Ryan Plummer and I'll be the new Principal and Athletic Director at LHS. I currently live in Sidney, NE but I was born and raised in Gering, NE, and attended college at Chadron State. I have been married for 10 years to my wife Tess and we have two children Sam who is 6 and Blake who is 4. I have worked the past decade at Sidney High School and my experience along the way was amazing. I taught in the business department and eventually moved into the assistant principal role.

During that time I also coached football, cross country, golf, basketball, and track. I am excited to bring my experience to Leyton.

Hello Leyton students, parents, and members of the community!

My name is Mackenzie Ivie and I am the new English Language Arts teacher at Leyton High School. I am originally from a small timber town in Northwest Oregon. I grew up playing sports, participating in horse 4-H, and serving as a rodeo queen at the county, state, regional, and national levels. My husband, Jeremy, and I have lived in 4 states and have finally found our home in Nebraska. We have two beautiful daughters and two basset hounds who constantly keep our lives interesting. I have always loved teaching. Whether it be horseback riding lessons or classroom learning, I enjoy helping others improve. My passion for knowledge and extensive background in rhetoric, public speaking, and public relations allows me to relate to students from a variety of backgrounds, communicate effectively and efficiently, and teach students critical analysis skills.

I am looking forward to the upcoming school year. I will be offering the following courses: Public Speaking, English Composition, 9th grade English Language Arts, 10th grade English Language Arts, 11th grade English Language Arts, 12th grade English Language Arts, and Literature. Each of my English classes will focus on a specific novel and will challenge students by engaging them in higher order thinking. Students will be expected to read, write, discuss, and speak during each class period, in turn, gaining skills that will benefit them beyond the classroom. In Public Speaking class, students will learn to give speeches in multiple formats, analyze the use of rhetoric in written, verbal, and visual works, and cite evidence to support their claims.

Currently, there are no students registered for Public Speaking. I love speech communication and specialize in rhetoric and rhetorical analysis. It is fascinating! In one of the units, we will be learning about propaganda. We will discuss its history, use, and presence in today's society. My former students thoroughly enjoyed this unit. I would love to share it with you, so please contact Ms. Primm to sign up!

I cannot wait for the school year to begin and look forward to getting to know you all!

-Mrs. Ivie

AHERA Notice

The Asbestos Hazard Emergency Response Act (AHERA) of 1987 requires all public and private schools to inventory and inspect all buildings in each system for asbestos-containing material (ACM). This initial inspection was conducted in 1988 and each subsequent three years.

School districts are required to develop and follow a management plan for asbestos in each building. Please be advised that these management plans are on file in the school's administrative office and are open for public inspection during office hours. Complete copies of the district's management plans are available for the cost of reproduction.

Each six months the school is required to have the ACM surveyed to determine if the asbestos material had deteriorated or been damaged in any way.

A listing of all the district's asbestos-containing material is located in the management plan and any action to remove or repair the asbestos is also listed in the management plan which is open to public inspection.

Jacob Noel is the school's asbestos manager and can be reached at 308-377-2301.

Signed: _____

Mr. Christopher D. Geary, Superintendent
