February 2022

A Message from the Superintendent

As I mentioned last month, planning is in full swing for the 2022-2023 school year. If you have ideas for our Master Calendar, I invite you to email me at chris.geary@leytonwarriors.org. There are a number of considerations that must be taken into account and we would love to hear your ideas as we put together the calendar. I hope to present a proposed calendar to the Board at their Regular February meeting.

COVID-19 UPDATE: We have been extremely fortunate to have very few cases of COVID this school year. I know of schools that have had to return to virtual instruction, implement mask mandates, and other factors. Panhandle Public Health has informed us that the expected peak has passed and we should be in the downswing for the latest variant infections. It's also peak influenza season. We are watching both closely. I'm grateful for your help by keeping your sick kids home. Our custodial staff have done a fantastic job of sanitization and cleaning. We'll keep up the hard work. Together, we can ensure that we maintain an in-person learning model. If you need COVID testing, there are a number of facilities that offer this service. You may reach out to Sidney Regional Medical Center or the Morrill County Community Hospital in Bridgeport.

Finally, if you are willing to serve on committees that advise the board and administration on school matters, please contact me at the school; 308-377-2301 or chris.geary@leytonwarriors.org.

A Message from Mrs. Morgan

February is shaping up to be a very busy month at Leyton Elementary Junior High School. We have basketball games, Valentine's Day, parent/teacher conferences, and book fair. Please check the website often to stay up-to-date on all the events and times. We love to see you all in the building watching the amazing things our students and staff do everyday.

Our December Good Citizens are pictured here. Kindergarten Good Citizen-Brayden Hansen, 1st-Wyatt Martin, 2nd-Kasen Miller, 3rd-Maddy Mitchell, 4th-Lexi Serrato, 5th-Connor Rieken, 6th-Elizabeth Higgins, 7th-Riley Benish, 8th-Halle Carter. Our amazing staff was gracious enough to allow the good citizens to use their staff lounge downstairs to have our lunch with the principal. It is always great conversation and I so enjoy spending time with our students.

Important dates to remember for February: Junior High Basketball vs. South Platte @ Home 1:00-February 1; Scholastic Book Fair-February 2-11;

Parent/Teacher Conferences-February 7; Junior High MAC Basketball @ Bayard -February 10-12; Elementary Valentine's Day Parties-February 14; 6-8 Grade Science Fair-February 16

On the picture above and to the right are our spelling bee winners. We had our annual spelling bee organized by Mrs. Bartling. Mr. Oakes announced for us and Mr.

Coffey, Mr. Newkirk and Mrs. Bartling served as judges. Our winners are from left to right: 6th place-Aubri

Borges; 5th place-Auvi Cranmore; 4th place-Cainyn Rushman; 3rd place-Carlynn Thomas; 2nd place-Gauge Harcsa; and 1st place-Elizabeth Higgins. Congratulations to our top-notch spellers!! These students competed in the Cheyenne County Spelling Bee on February 18. Four of our students, Carlynn, Gauge, Elizabeth and Cainyn were in the final nine spellers. Elizabeth Higgins won and is the first ever Leyton student to win the Cheyenne County Spelling Bee!

Good Citizen Lunch Fun!

As always if you need to reach me for any reason, please feel free to reach out! Enjoy February! ☺

February 2022
High School Principal/AD Newsletter

Dear Leyton Families,

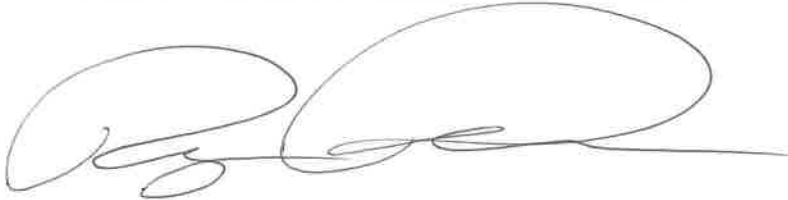

I hope all is well with the families of this great community. Winter is truly upon us as we started the year off a little discombobulated with the weather and its impact on the start of our second semester. Remember to check our social media pages for updates and expect a call from us updating you on what's happening with the school during inclement weather.

It is crazy to think that the winter sports seasons will be reaching their conclusion at the end of this month. During the month of January our Leyton Warriors had some big accomplishments in basketball and wrestling. The girls and boys basketball teams both placed 3rd in the MAC tournament. Brenton Abbott got third place and Dawson Juelfs got 4th place at the Chase County Invite, and then Brenton turned around at Hemingford and got 1st place in the 138 division. Please join me in congratulating these kids on an awesome job, and I look forward to seeing what the end of the season brings.

We have entered the cold and flu season. I am hopeful the flu will not hit Leyton as hard as it has hit some of our neighboring communities. A couple important things to remember about the flu:

- 1) The best way to keep from having a flu outbreak at school is prevention. The best ways to prevent the flu is to get your family vaccinated, wash your hands often, don't share personal items, and cover coughs and sneezes.

- 2) If you have the flu, please stay home. In order to prevent a flu outbreak at school, if your child is sick, please stay home. Symptoms of the flu include fever over 100°F, muscle aches, fatigue and vomiting. Students and staff with the flu should stay home until 24 hours have passed without signs of a fever.

Leyton School recently purchased two STEM carts for the elementary and jr. high classrooms. Students have been utilizing these carts by completing activities having to do with science, technology, engineering, and math. For example, Connor Reiken looked for an activity and found materials to build a ramp that would send a ball forward at least 3-4 feet. After construction, he, along with Cooper Benish, collected data and completed a series of math problems. They found the mean length of their 5 launches, then found median, mode, range, sum, and outliers with their data. Connor, Cooper, and Slader then made battery operated free standing windmills. After much trial and error, they perfected their windmill design and then collected data. They used this data, again, to find mean, median, mode, range, and outliers. They compared and contrasted designs with each other and are continuing to think deeper with future ideas with writing and different experiments. Not only is Leyton utilizing STEM carts for lesson extensions, we are meeting state standards, and fulfilling HAL requirements to meet the needs of all students! Go Warriors!

LION'S CLUB ANNUAL YOUTH BASKETBALL TOURNAMENT

Regular High School Rules will be followed with the following exceptions:

Games will consist of four 6-minute quarters with clock stopping at whistles.

Two 1-minute time-outs per team will be allowed per half, with one 1-minute time-out per team being allowed for each overtime period. Time-outs cannot be carried over.

Overtimes will be 2 minutes, with only one time-out. If there is a need for a second overtime, it will be sudden death (first team to score wins, except the championship game) with no timeouts. Overtime periods will begin with a jump ball.

Full-court pressure is allowed until a team has a 10-point lead. Once a team's lead is 10 points, the full-court pressure must be taken off. This rule is for the 7th-8th grade boys and girls divisions. There will be no full court or half court pressing in the 4th, 5th, 6th grade divisions. Last minute - clock will not start until the ball crosses mid-court.

Teams in the 4th, 5th and 6th grade divisions may play man-to-man or zone defenses, but they will not be allowed to press with a half-court trapping defense. In addition, when a team gets ahead by 20 points, we would appreciate that you have your players begin their defensive play inside the three-point circle to allow the other team to run their offense. Remember this tournament is about allowing these young players to learn the game of basketball.

4th grade boys and girls divisions may shoot free throws from 12 feet

To speed up play, once a team has a 15-point lead, the clock will operate on a running-clock basis: the clock will stop only for free throws and time-outs. Once the lead is reduced below 15 points, the clock will be stopped on all whistles.

28.5 size ball will be used for all games.

All teams must have numbers on at least one side of the jersey.

Warm-up and halftime will be five (5) minutes long and may be reduced if time is a problem.

Each team must supply their own basketballs for warm-ups.

No other teams or players are allowed on the floor between games or during halftime to shoot.

Please be at your game site 15 minutes before you play. **GAME TIME IS FORFEIT TIME!**

THIS IS A ZERO TOLERANCE TOURNAMENT.

COACHES, MAKE SURE YOU INFORM YOUR FANS!

UNSPORTSMANLIKE BEHAVIOR FROM ANY COACH, PLAYER OR FAN WILL NOT BE TOLERATED. SITE MANAGERS WILL BE PATROLLING GYMS. PERSON OR PERSONS WILL BE GIVEN ONE WARNING ABOUT BEHAVIOR. AFTER WARNING, THEY WILL BE EXCUSED FROM THE BUILDING FOR THE REMAINDER OF THE TOURNAMENT.

Each team will supply scorekeeper and time keeper.

We would like to introduce the players before each game. We would prefer someone from each team read their names.

There will be an admission charge of \$5.00 for all non-players and non-coaches age 12–adult. This will be for all sites all day. No passes of any kind will be accepted. Gate admission slips will be provided for up to 10 players and 2 coaches.

The Bridgeport Lions Club, Prairie Winds Community Center, Bayard Public Schools or Bridgeport Public Schools will not be responsible for any injury or loss of property during the tournament.

Teams will be seeded into the single elimination bracket by their own wins in pool play, then head-to-head, then point differential.
