LETTER TO HOUSEHOLDS SY 2026-2027 Community Eligibility Provision

Dear Parent/Guardian:

Leyton Public Schools is participating in the Community Eligibility Provision (CEP) for school year 2026-2027. If your child(ren) attend Leyton Public Schools, reimbursable *breakfast and lunch* meals that provide all required meal components will be available to them at no charge. **However, there will still be fees charged for a la carte purchases such as second entrees and second/snack milks.** High School second entrees are \$1.25 for breakfast and \$1.50 for lunch. Elementary/JH second entrees are \$1.00 for breakfast and \$1.00 for lunch. Snack/Second milks are \$0.55.

All students enrolled at Leyton Public Schools may participate in the *breakfast and lunch* program at no charge to them. Research provides supporting evidence that children who are not hungry perform better in school. By providing lunch to all children at no charge, we are hoping to create a better learning environment for our students.

The school breakfasts and lunches that we serve follow U.S. Department of Agriculture guidelines for healthy school meals. The School Nutrition Programs cannot succeed without your support; please encourage your child(ren) to participate in the school meals programs. Meals will be served to all students at no charge regardless of their eligibility status. Households do not need to complete a meal application to receive reimbursable meals at no charge. However, we strongly encourage you to complete an application if you are not direct certified to determine your eligibility for other programs such as fee waivers and summer EBT programs. If you have any questions about CEP, please feel free to contact us at 308-377-2301.

Sincerely,
Mr. Matt McLaughlin, Superintendent
