A note from the Superintendent,

I hope this letter finds you and your family well and you've taken some much needed time to connect with your loved ones over the summer months. I'm personally thrilled to be sending out the district newsletter again this year. I know how valuable this newsletter is to our community in terms of keeping people on the same page. I wanted to focus my letter this month on the excitement that is in the air over the summer months in terms of Leyton Public Schools. There are some changes in store this year that are going to elevate our school district to new and better places, ultimately our goal is to offer a world class educational experience to all of our students and the moves we are making this year are getting us closer and closer to that goal.

First off I wanted to start off by saying that no school in our area will outshine us in terms of technology inside the classroom. With the help of Mrs. Haley, and the advice from our teaching staff we are moving toward integrating some amazing technology into our classrooms this fall. Chromebooks will replace I-pads in our 4th-8th grade classrooms, many of our teacher display stations are being replaced this year with top of the line hardware and our access points are being upgraded for the first time in years in order for our students to have better access around all of our buildings. We had some flooring and painting going on as well this summer in some much needed areas including our shop, art room, business room and High School Gym. We are excited for you to see the changes at the open house.

Curriculum changes are sure to excite the students this year in a variety of grade levels throughout the district. Kindergarten through 8th grade will be moving toward CKLA (Amplify) reading curriculum. This curriculum is exciting because it focuses on the science behind reading and offers our students more opportunities to read in a lot of different interest areas which isn't very typical in a reading series. We feel like the students will be highly motivated and engaged in reading like never before. When it comes to curriculum we have been working hard to ensure our students are in front of the best materials possible. This year our high school is planning on changing some of our social science curriculum as well.

The last area that I wanted to focus on was the staff additions to our Leyton family. We believe we secured the very top level talent around the panhandle with the new teachers, administration, paraprofessionals, cooks, and office staff. The tradition of excellent education at Leyton Public Schools is in great hands. These new staff members are going to fit right into our culture and help us to continue to achieve our goal of being great.

All of this could not have been possible without the support of an amazing Board of Education, a staff that cares about Leyton and finally, a supportive community. That's a major part of our vision as a district, embracing community, that's what makes us, US! I am extremely grateful for the support this community has given us in my first year, just watch what we do this year!

Embracing Community, Creating Integrity, Achieving Greatness.

I would like to introduce myself. I am Charles Jones and I am the new K-12 Principal of Leyton Public School. I received both my undergraduate and graduate degrees from Chadron State College. I am entering my 29th year in education, I spent 20 years as a physical education/health teacher, athletic director and coach and the past 8 years I have been the PK-12 Principal at Banner County School. My wife Marlene and I have three grown children out of the home and three children in the home, Mycala a second year student at WNCC in Scottsbluff, Riley will be a junior and Amanda who will be a senior. We are very excited to be a part of the Leyton family and look forward to being active in the Leyton communities. I am very excited to be a part of the school and the community and look forward to getting the school year started and to meeting everyone.

School Closings and Late Starts due to Weather/Road Conditions

In the event road or weather conditions make it necessary for the Leyton Public Schools to have a late start or cancel school for the day, an EZMessage will be sent out to households and the information will be broadcast on Sidney's KSID radio station and on Scottsbluff's KNEB radio station.

Panhandle News Channel Nebraska radio (Sidney) is found at 98.7 FM and 1340 AM. School closing information is also available on their website: <https://panhandle.newschannelnebraska.com/>.

KNEB Radio (Scottsbluff) is found at 94.1 FM and 960 AM.

These stations will be called as soon as a decision is made regarding a late start/school cancellation. The information will generally be available by 6:30 am.

Occasionally a late start is changed to a cancellation when the weather and/or roads do not show anticipated improvement. When a late start is announced, it is wise to stay tuned to News Channel Nebraska (or continue to check its website) or KNEB in the event the decision is made to close school entirely.

As always, families living in the rural areas of the Leyton School District know the condition of the roads in their immediate area better than anyone. **IF YOU DO NOT BELIEVE YOUR CHILDREN CAN GET TO SCHOOL SAFELY DUE TO WEATHER OR ROAD CONDITIONS, PLEASE KEEP THEM AT HOME AND NOTIFY THE SCHOOL THAT YOU ARE DOING SO.**

AHERA Notice

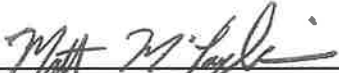

The Asbestos Hazard Emergency Response Act (AHERA) of 1987 requires all public and private schools to inventory and inspect all buildings in each system for asbestos-containing material (ACM). This initial inspection was conducted in 1988 and each subsequent three years.

School districts are required to develop and follow a management plan for asbestos in each building. Please be advised that these management plans are on file in the school's administrative office and are open for public inspection during office hours. Complete copies of the district's management plans are available for the cost of reproduction.

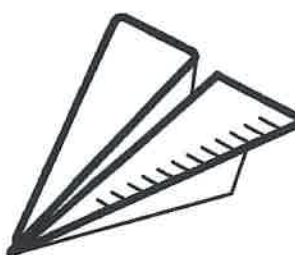

Each six months the school is required to have the ACM surveyed to determine if the asbestos material had deteriorated or been damaged in any way.

A listing of all the district's asbestos-containing material is located in the management plan and any action to remove or repair the asbestos is also listed in the management plan which is open to public inspection.

Jacob Noel is the school's asbestos manager and can be reached at 308-377-2301.

Signed:  _____

Mr. Matt McLaughlin, Superintendent

LEYTON BACK TO SCHOOL

OPEN HOUSE

SCHOOL STARTS
ON AUGUST 17, 2023

August
16
2-6:00

Both buildings will be open for students to meet their teachers, drop off school supplies and find their lockers!

Reminder for the high school students who have a school issued laptop. Your first \$50 payment for the 2023/2024 school year is due the first week of school. Please contact

Mrs. Haley with any questions,

alison.haley@leytonwarriors.org.

All freshman and sophomore students have to pay their fee before they will receive their device.

Leyton will have a new Student Information System for the 2023-2024 School year: *JMC*

JMC Family connects school and home with always-available online resources providing a wealth of school information for students. We will be able to effectively communicate with our Leyton families using this new system.

JMC Family software strengthens the connection between home and school by offering families a 360-degree view of their student, from discipline interventions and busing information to academic progress and more. Having families updated with current student performance facilitates communication and improves the family's ability to help the student succeed.

Academics

Offering families a comprehensive view of their student's academic life can strengthen the connection between home and school. The JMC Academics module allows students and their families to view all data related to coursework from the convenience of a web browser. This includes attendance (by day or by period), progress reports, lesson plans, and course registration, as well as student meal account purchases.

Family

JMC Family serves as the window into school for families of students. We have exciting news about a brand new app from JMC! The JMC Family app is designed to help families and schools collaborate and communicate by offering a 360° view of your student's academic and extracurricular world.

The JMC Family app will allow you to

- View student grades and set alerts
- Check meal balances and add funds
- Monitor attendance and schedule a future absence
- Keep up on school events and classroom news
- So much more!

So don't wait. Download this app today from either Apple's App Store or the Google Play Store.

Lunch

JMC's Lunch module allows families to maintain student meal accounts, make payments online with a credit card, and stay on top of all aspects of their food service account. The family current balance is displayed along with a list of meal items purchased by each student in the family.

Online Registration

JMC's Online Registration module is a convenient way for families to ensure their school district has up-to-date information about them and their students. Schools can use the module to customize registration forms, approve updates to contact details and accept information on new students online. Families can access the module via JMC Family (online or app) to fill out and review the registration forms, and even sign the forms directly from their devices.

Parent Information

Give families power over their contact information and save front office staff time on data entry with JMC's Parent Information module. Using the Parent Information module (found in JMC Family), families can update their addresses, phone numbers, and more online, including how they wish to be contacted via JMC's Message Center.

July 10, 2023

Attention Leyton Warrior Football Players:

I hope your summer has gone well. This letter is being sent to you if you have shown interest in participating in the 2022 football season. Suppose you are interested in participating in the upcoming season. In that case, you and your parents need to attend the mandatory parent meeting on July 31st, 2023, at 6:00 pm in the multi-room/gym, at the High School in Dalton. At this meeting, your parents will fill out the necessary paperwork (parent consent form and NSAA eligibility) for you to participate and turn in physical forms. Also, we will discuss the coaches' philosophy, the team handbook, essential dates, and activities during the season. SRMC is again offering Free Sports Physicals, on July 12th, 19th, 26th, August 2nd, 9th, and 16th. Call 308-254-5544 or look on SRMC's Facebook page. You need to make sure that you get a physical (using Leyton's physical form) before the first mandatory practice. If any of these forms are not complete and turned in before the first mandatory practice you will not be able to participate until they are turned in. If you have questions please give me a call, any of the assistant coaches, or Cody Gamble our AD.

The other coaches and I are looking forward to an exciting fall season. It's not going to be easy but we shall focus on the short-term goals to accomplish our long-term goals. We need to stay focused, be committed, and work hard. Never give up, always listen, hustle, and keep a positive attitude, you will receive the rewards in the end. Warrior Strong!!! Eight men, one heartbeat! **The Warrior's Core Values: Family, Discipline, Grit, Integrity, Commitment**

The dates to keep in mind are below.

Enjoy the rest of your summer!

Sincerely,
Coach Lipska

Coach Lipska - Cell # 250-0004 School # 308-377-2301 (email:glen.lipska@leytonwarriors.org)

- **Conditioning Week:** July 31st- Aug 4th 2023 (7:00-8:00 am)

WARRIORS...BUILDING SUCCESS

Please join us Friday, September 8, 2023, for our annual **Tailgate** as we kick-off the 2023-2024 Leyton School Year!

A meal (free will donation) will be served beginning at 5:00 PM until 6:30 PM at the bus barn by the football field. Come meet our new principal, Mr. Chuck Jones, and our other new staff members.

Please join us for this annual tradition. Students, staff, and community are all invited to attend and enjoy some fellowship before cheering on the Warrior football team at 7:00 PM. We hope to see you there!

The **ROAD** to **SUCCESS** is **ALWAYS** UNDER CONSTRUCTION!

WARRIOR ZONE

- **New Revitalized Student Section**
- **Student Led School Spirit**
- **All Students Encouraged to Participate**
- **All High School Students Receive a T-shirt**

Hi everyone,

I have some exciting news to share on behalf of our activities program. Together with Hudl, we plan to offer a livestream of every home varsity game played in the gym or on our field. Not only varsity games, but play production, music concerts and graduation also! **This will be replacing our current YouTube streaming.**

If you can attend our games, we encourage you to do so. We want to give people who can't physically attend our games the ability to tune in and support your Leyton activities. With our livestream, working parents, faraway family members, alumni, and anyone else who wants to watch can support our athletes.

You can access our broadcast using this link via our new Hudl TV website:
[https://fan.hudl.com/usa/ne/dalton/organization/17751/leyton-high-school.](https://fan.hudl.com/usa/ne/dalton/organization/17751/leyton-high-school)

I will also be reaching out via our Leyton Facebook page weekly to share our upcoming live streaming schedule.

Please feel free to reach out to me with any questions or concerns.

Sincerely,
Alison Haley
